

Buzzaround 4-Wheel GB152

The new Buzzaround XL+ 4-wheel scooter features compact portability with a robust 325 lb. weight capacity and comfort spring suspension for a smooth ride. It features a 3.5" ground clearance, up to 9.2-mile operating range on the standard 12 AH lithium-ion battery that weigh only 7 lbs., and a contoured stadium style mesh seat for more comfort and increased airflow. The GB152 offers a stylish design with fresh features like an EZ pivot tiller adjustment system that can be changed by hand or foot, a full-color dash with speed and battery indicators, and customizable LED side accent lighting with over 60 color configurations! The XL+ offers our new MicroTurn™ Technology with an impressive 39" turning radius to navigate even the tightest spaces with ease!

FDA Class II Medical Devices designed by Golden Technologies are intended to assist persons with chronic physical disabilities.
